

(d) if so, the number of villages and habitations covered for household electrification and the number of villages and habitations which have so far been provided electricity under RGGVY?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) and (b) The Government of Andhra Pradesh submitted 22 Detailed Project Reports (DPRs) with a cost of Rs. 806.86 crore out of which 17 DPRs have been sanctioned so far at the cost of Rs. 670.39 crore under Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY).

(c) and (d) Yes, Sir. The sanctioned DPR of Krishna District with a cost of Rs. 27.76 crores covers electrification of over 1.68 lakhs rural households including 87774 BPL households, in 1005 electrified villages of the district. The State Government/DISCOM has reported release of 42558 BPL connection and 7740 APL connections besides electrification of 82 habitations/hamlets in Krishna District under the sanctioned projects as on 31.01.2007.

Power generation situation in the country

†668. SHRI MANGANI LAL MANDAL: Will the Minister of POWER be pleased to state:

(a) the status of installed capacity of power generation from all the sources in the country; State-wise and sector-wise including central sector;

(b) the status of power generation in comparison to the present installed capacity, State-wise including central sector;

(c) the present requirement of power capacity in the country and the extent of shortage of the same and the measures being taken to sort it out; and

(d) the assessment made regarding the requirement of power in the country by 2020 and the efforts being made to meet this requirement?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) The total installed generation capacity of power utilities in the country as on 31.1.2007 is about 1,28,183 MW. State-wise and sector-wise break up of the installed capacity including central sector is given in Statement-I (See below).

†Original notice of the question was received in Hindi.

(b) The generation for the year 2005-06 and from April, 2006 to Jan., 2007 for different States including central sector is given in Statement-II (See below).

(c) and (d) The figures for requirement, availability and surplus/deficit for the period from April, 2006 to Jan., 2007 in respect of the States is given in Statement.

[Refer to the Statement-I (i) & (ii) appended to the answer to USQ 657 (a)].

The National Electricity Policy envisages demand to be fully met by 2012 and per capita availability of power to be increased to over 1,000 units by 2011-12. To achieve this, a total capacity addition of about 1,00,000 MW is required during 10th and 11th Plan period. The demand for power at the end of 11th Plan is expected to be about 1,52,000 MW. Based on likely capacity addition of 23,250 MW in the 10th Plan, a capacity addition of 76,460 MW has been proposed during 11th Plan. However, the capacity addition target for 11th Plan is yet to be finalized.

Out of the proposed capacity addition of 76,460 MW, projects totaling to 44,358 MW (58%) are under construction (13,531 MW Hydro, 27,667 MW Thermal and 3,160 MW Nuclear). For balance 32,102 MW (42%) (2,722 MW Hydro and 29,380 MW Thermal) orders are yet to be placed.

The projections of electricity generation requirement during 12th Plan end (2016-17) is expected to be about 1470 Billion Units. To meet this requirement, capacity addition of about 82,000 MW is required during 12th Plan, of which about 30,000 MW capacity addition is likely to be based on Hydro, about 11,000-13,000 MW will be Nuclear based and the balance capacity addition will be from Thermal (Coal, Lignite and Gas) project.

As per The Integrated Energy Policy report issued by Planning Commission in August, 2006, Installed Capacity requirement for 2021-22 corresponding to 8% and 9% GDP growth is as under:

Year	Installed Capacity Required (GW) @GDP Growth rate	
	8%	9%
2021-22	425	488

Statement-I

Installed capacity (in MW) of power utilities in the States/UTs in the country including allocated shares in joint & Central Sector Utilities (Northern Region)

Rural Electrification in Bihar Under RGGVY

†669. SHRI MANGANI LAL MANDAL: Will the Minister of POWER be pleased to state:

(a) whether it is a fact that projects of only 24 districts out of 38 districts in Bihar have been sanctioned so far under Rajiv Gandhi Grameen Vidyutikaran Yojana;

(b) whether it is a fact that around 19,224 villages in Bihar have not been provided with electricity so far;

(c) whether it is a fact that only 5.13 per cent families out of total rural families in Bihar have been provided with electricity; and

(d) if so, the time-limit fixed for providing electricity to all the villages of Bihar under Rajiv Gandhi Grameen Vidyutikaran Yojana and the details thereof in view of the above?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) No, Sir. Based on the Detailed Project Reports received from Government of Bihar, projects for 29 districts have been sanctioned under Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY).

†Original notice of the question was received in Hindi.
